TEAMS OF SUPPORT

- **Technical Support:** Our commitment to customer satisfaction extends to our technical support team, who are available to provide assistance with your rubber tracks, pads and undercarriage parts.
- **Training:** We believe that knowledge is power, and that's why we offer comprehensive training programs for staff. With a core value of being continuously coachable running right through our organisation.
- **Warranty:** We believe in the quality of our products, and, as such, we offer a warranty on all of our products.
- **Product Development:** In keeping with our commitment to continuous improvement, we constantly strive to improve on the normal and help you increase your wear life and operating hours on your rubber tracks. Minimise your downtime - Maximise your profit.

WARRANTY COVERAGE

As part of our DEKK Core Quality, our Rubber Tracks and Pads are covered with industry leading warranty terms to provide you with exceptional service and support in helping your machinery perform at its best and deliver long-lasting productivity to every site.

All our warranty terms are "Full Replacement" terms, meaning if a manufacturing fault arises on one of our products, we replace it in full, at any stage of the warranty coverage period.
